

This a reminder about the Middle School Reading List for this summer.

(This information was previously sent in the TSA Newsletter).

The TSA Middle School TSA Summer Reading Requirements:

You will read three books this summer:

One of these three will be from the list of required books (4 different book choices) from this list, click here: [TSA MS Summer Reading List](#)

Read your books in their entirety and then be prepared to discuss your book in a small group during the August workshop days. We have a few copies of these books to borrow. During the summer you can check them out, they will be at the HIGH SCHOOL front desk.

Next, you will **choose two other books to read** and prepare a response to each. Please choose a book that is appropriate for your reading level. No graphic novels please.
