8:30-9:45

Skylar Clemens The Small Farm Revolution--The importance of small farms in the landscape of America.

Ellie Jacobson-Goodhue The Importance of Music Therapy in Healing Child Refugee Trauma

Erik Younce School Spirit--How school spirit has a positive effect on students, and how it is beginning to go away.

Peter North The American Nightmare: The Myth of the American Dream--Economic inequality in the U.S. and the systems in place that perpetuate it.

Xia Gillespie Capitalism in Education: The American Drain--Why college costs so much money, the problems this causes and just how deep the problems go.

Addison Hadlock Depression and its Relationships with Sugar Consumption

Isabelle Adler How Deadpool is Improving the World--Come to my presentation and see how anti-heroes benefit us.

9:55-11:10

Paige Shirley The Religious Chokehold on Sexuality--An exploration of the negative influence of Christian values on LGBTQ youth.

Jack Barnhart Direction, Distraction or Detraction: Assessment in the American Education System

Olivia Swayze The characteristics of live theater that make it both a unique and vitally important form of entertainment in our digital age.

Stirling Sidaway The Legality of Video Game Emulation--Video game emulators provide access to games, but they are called illegal by the video game industry.

Hap Riley The Evolution of Drag--Drag has a past, present and future.

Tia Kendall The Power of Illegal Street Art--Illegal Street Art is a more effective, meaningful and controversial way to highlight and expose social issues.

Emme Jenisch In the Shadow of Everest: Sherpa Culture, Buddhism and the Western Obsession that Shaped a Nation **NOTICE:** Presentation will show images of deceased humans.

11:15-12:30

Finley Lord Religion and its Influences--An opportunity to observe the connections between active faith, community and happiness.

Brenna Hamlin Alternative Education in Rochester--Act 46 destroyed the Rochester community. A STEAM based school will rejuvenate it.

Anika Eastman Blame Industrialization: How the Modern World Caused the Obesity Epidemic in the United States

Abigail Gross How the U.S. Workplace Impacts Stress and Mental Health

Des Piccicuto Climate Change--How our economy is making temperatures rise across the globe & the urgency for today's society.

Trace Barnhart Better Than You: A Psychoanalytic Study of the Formulation and Drawbacks of a Competitive Society.

Molly Kinnarney The Negative Effects of Being a Princess in the British Monarchy

12:40-1:55

Ben Rodis The Hypocrisy of Liberal Vermont--VT is thought of as "liberal", but data shows this is not as accurate as liberals would like to believe.

Jacob Ruben The growing esports industry, with its impact on current, future and personal economics, is a field of professional income not to be dismissed.

Ewan McCrae The Medical Truth about Gluten-Free Diets--There have been misconceptions about gluten-free diets. I hope to deliver the truth.

Ian Robertson A Summit Too High to Climb?: Achieving Social Justice in Wilderness recreation.

Leland Pelletier Math is All Around Us

Andrew Sawyer Mens' Depression and its Suppression in Western Society

Nathan Schwartz Hardships on Native American Reservations: What Can We Do?--Solutions to better the lives of those living on reservations.

2:00-3:15

Calli Goodling Uncovering Food Culture--How food can be a vessel for cultural revival and social innovation by reflecting a nation's identity and values.

Aaron Romano Gurren Laggan's Connection to Plato's Allegory of the Cave--What we can take from "silly" mecha anime.

Lydia Eastman Perfectionism

Jillian Sherwin Grieving Outside the Box: How to Create a Society that Accepts our Grief--Misconceptions about grief and how to become more accepting.

Nick Steventon What Makes a Successful Leader?--Connecting traits of past and present leaders to leadership on a smaller scale, such as that of M. Livingston.

Mayci LeDuc The Stigma Around Mental Illness--How society has developed a stigma around mental illness and the larger ramifications throughout society.

Isabella Amodeo Be Aware of Gray Matters--What makes up right or wrong? An exploration of moral theories and building awareness of moral diversity.
